

## The GRAPEVINE

April 2015

New members: Welcome to Bev Robertson and Rand Harrison.

We have a full newsletter this month with lots of art shows coming up. Our own FCA Victoria Spring Show was held at Coast Collective from April 8<sup>th</sup> to 12<sup>th</sup>. Although I was out of town and unable to attend, the word is that the display of art was excellent and hopefully many of you had an opportunity to attend. Thank you to everyone who submitted art for adjudication and congratulations to all of you had art accepted – especially those who were award recipients.

There will be no Grapevine during summer months and next meeting will be held in September. Have a wonderful summer!

**NATURE OF ISLAND ARTISTS ART SHOW** - RLC Park Services at the Gold stream Nature House, and Habitat Acquisition Trust (HAT) are once again hosting our biennial Nature of Island Artists Art Show. This bringing together of nature inspired art along with our fundraising efforts will support children’s nature education programs at the Gold stream Nature House for the upcoming year.

This year’s show running September 26<sup>th</sup> until October 12<sup>th</sup> will showcase nature-inspired art by YOU, one of our Vancouver Island and Gulf Island Artists. As you may or may not have seen in the past, we will take on the task of transforming the Gold stream Nature House into a warm and inviting art gallery where the public will be able to enjoy the plethora of art mediums.

A variety of mediums are accepted into the show (please note photography submissions are limited). Each artist may submit **one piece** for either an **outright sale** (>\$500) or a **minimum bid** (<\$500) and proceeds will be shared between the artist (60%) and gallery (40%).

In addition we invite you to bring in smaller gift store items such as art cards, prints and smaller pieces (>\$50) for sale as these pieces tend to do very well and contribute greatly to our overall efforts.

We ask artists to contribute a **\$20** entrance fee which helps to offset the costs of operating the show; therefore enhancing the overall goal of the show.

#### IF YOU ARE INTERESTED IN PARTICIPATING:

1. Submit a photograph of your piece and a brief description (including medium & size/dimensions) via email to: [goldstream@naturehouse.ca](mailto:goldstream@naturehouse.ca) by **July 1<sup>st</sup> 2015**. (If you are unable to email your photograph, please mail us a photo of your work at PO Box 272, Malaya, BC, V0R 2L0.)
2. Due to the size restrictions of the gallery and the nature of the show, we reserve the right to accept or decline submissions and all selections will be made by August 1<sup>st</sup>, 2015.
3. Upon receiving approval of your piece in the show, we must receive your entrance fee of **\$20** and entry form by August 31<sup>st</sup>, 2015.
4. Upon approval of the main piece, artists may then choose to **donate** a second piece where all proceeds remain with the Gold stream Nature House for children's nature education programs.

\*\*Please note that due to CRA requirements, tax receipts for donated pieces will only be provided if the piece sells and will be for the amount that the piece sells for; not the estimated value.\*\*

We thank you in advance for your time, energy and enthusiasm in helping us with our fundraising goals and we look forward to another great show.
